Introduction

AAA Services is being formed after a long journey of 15 years of experience in Import Export, International Forwarding & Logistics, Customs clearance, Accounts & finance, license, and certification. The Owner of the company was engaged with companies working in the above-said field and achieved lots of goals during the tenor of his employment. AAA services not only provide services for the above but also consultancy for the same.

Industry Experience

★ Account, Finance & Taxation

We are handling more than 15 companies and 43 individuals, writing books, internal and external audits to prepare balance sheets and tax returns for more than 10 years and Now its size has increased.

★ Import-Export, International Forwarding & Logistics

We started our journey with import with one client and after 10 years, we have more than 40 clients. We provided our best services from getting the Import Export code to starting the first import and export, and preparing documents for clearance to deliver the goods to their designated warehouse.

★ License & Certifications

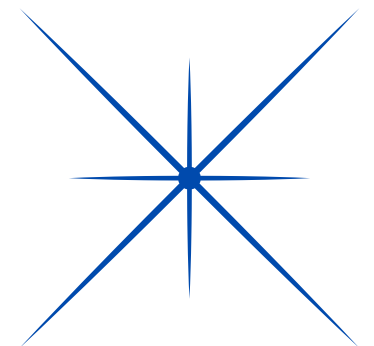

AAA services team provided services for not only registering, and incorporating the companies but also for MSME, Start-up, LMPC, DGFT, ISO, BIS, and WPC to its client to get benefits of Govt Schemes and exits in the competitive market and comply with the Indian Laws.

Legal Opinion for GST, CUSTOM & DTAA

We to safe guard the interest and minimise the risk of overseas and Indian vendors, who participates in Indian tender, provide legal opinion in advance for applicable taxes, custom duties and TDS/WHT as per applicable laws in India.

Consultancy Services
